

*Showcase Series: Break the Cycle: JH Hospital's
Innovative Approach to Reducing Gun Violence*

Title	Showcase Series: Break the Cycle: JH Hospital's Innovative Approach to Reducing Gun Violence
Speaker (if applicable)	Dr. Nathan Irvin
Topic	Reducing Gun Violence
Objectives	Hospital-based violence intervention programs (HVIPs) have proven to be an effective method of reducing gun violence in their communities. In this live webinar, Dr. Nathan Irvin, Assistant Professor at the Department of Emergency Medicine, and Senator Will Smith, Chair of Senate Judicial Proceedings Committee, will discuss Johns Hopkins Hospital's Break the Cycle Program and the impact this program, and those like it, have on the State of Maryland.
